Emily & Erick Delgado

WRITTEN BY MARILYN ISAMINGER

Errick Delgado left his home town of Houston, Texas, for college at California State University, Long Beach, and that's where he met Emily Gonsalves, now Delgado, the love of his life.

Emily (Gonsalves) Delgado, 27, attended St. Mary's High School in Stockton, California, and received a degree in fashion merchandising from California State University, Long Beach. She and Erick currently live in Houston, where she is now a full time Pilates instructor.

Erick Delgado, 28, received his undergrad degree in economics at California State University, Long Beach, and later earned his master's in economics from Johns Hopkins University. He currently works as a manager at an economic consulting firm in downtown Houston.

Emily's family has made an annual trip to Pismo Beach since she was a toddler. "Erick asked me to take a walk and proposed in a clifftop gazebo overlooking the sparkling Pacific," she smiles. "We got engaged on July 14, 2017, and exactly a year later we were married."

The blissful couple tied the knot July 14, 2018, in an outdoor ceremony at Mettler Family Vineyards. Emily's Matron of Honor was Gina

Quattrochi, her sister, and Maid of Honor was Erin Hernandez, also her sister. Bridesmaids were Mackenzie Murtagh, Chloe Munzenrider, Taryn Rescigno, Bianca Kranz and Eriell Delgado. Erick's Best Man was John Kranz; groomsmen were Jason Ngo, Erik Oberhammer, Justin Quattrone and Mike Johnston.

"Everything about our wedding day was so special and unique," Emily shares. "My brother-in-law, Scott, officiated our ceremony, allowing it to be so personal and unique to us, which is exactly what Erick and I wanted. It was all so beautiful and well said, especially

since Scott has seen our relationship grow throughout the years. Many of our loved ones had special parts in the day. My mother made my beautiful veil; our dear friend, Katie Wood, made the most amazing cookies for party favors and the list goes on.

"But by the far the best part of our day was having our dearest friends and loved ones there to celebrate us and our love."

Emily and Erick honeymooned in Singapore and Bali, where they could have both a relaxing honeymoon and an adventurous experience. ■
